

# Caution

According the damage report from the customers who bought our company's goods as like 「寝ながら小顔ハンモック」「藍と紫根の首元パック」 from non-official retailer, there are lots of counterfeit goods in the market.

Especially on some auction sites, the risk of counterfeit goods is very high.  
Please be careful the extremely low selling price and strange design of product.

- Our company do not take any responsibility about counterfeit goods.
- Our company will not accept return and exchange the goods.
- If you have any doubt about the goods but you didn't buy it from our company's shopping site and store, please confirm with the store and seller where you bought.
- If you would like to confirm whether the goods you purchased is counterfeit or not, please ask the store or seller where you bought.
- We could not confirm whether the goods you purchased is counterfeit or not even if you send to us.
- We are positively clamp down on the maker of counterfeit goods and distributor. In order to avoid the counterfeit goods please purchase the goods from official retailer.
